

5th Users' Conference of IT4Innovations

Tuesday, 9 November 2021

Users` Talk I: Chairman: B. Jansík - Online (13:00 - 14:00)

time	[id] title	presenter
13:00	[74] Weakly Hydrated Anions Bind to Polymers but Not Monomers in Aqueous Solutions	HEYDA, Jan
13:20	[89] Molecular dynamics simulations of electron-transfer through tryptophan chains and a rhenium chromophore in modified azurins	Dr ZÁLIŠ, Stanislav
13:40	[79] Peptide deformylase as a probe of long-range allostery between ribosome surface and interior	KOLAR, Michal H.
