

## Session Program

12 March 2026

**[ONLINE] Computational Chemistry in Qiskit:  
A Practical Overview of Current Approaches**

***Quantum Phase Estimation and treatment of  
Excited-State Methods + hands-on session***

ONLINE

## Thursday 12 March

16:00

17:00

### **Quantum Phase Estimation and treatment of Excited-State Methods + hands-on session**

**Session** | **Location:** ONLINE
